

## Beer Search Beverage Coasters

AdCoasters, one of the nation's leading custom-printed beverage coasters suppliers, has developed a coaster to help you get more out of your customers. Our award-winning design staff created a Beer Search Game design to keep your customers occupied – possibly long enough to stick around for another round. Additionally, the subject of the game is varieties of beers, which should promote your selection of draft or bottle offerings. At a unit cost as low as 6.8 cents a coaster, our gaming coasters could easily generate another \$4 to \$6 sale. Economical pricing and low quantity options make coasters affordable for almost any establishment.
